When I got the call to do a scene with Julia Ann, I jumped at the chance. She's such a babe and a really good fuck. I freshened up and headed over to the house. When we met, it was lust at first sight. I just couldn't wait to get my lips on her pussy. Then her's on my pussy. I can't wait. It's the one thing I actually look forward to during sex.

40+ #43

Nicole can eat me for breakfast, lunch AND dinner. She looks and probably fucks like a wild lion. Put that hungry mouth around my cock and gobble it all up. I'll spray my hot cum down your throat until we are both satisfied. And as if that won't be enough, I want to get you into the back of my pick-up truck wearing only cowboy boots and ride you like the Lone Ranger rides Silver!

— Dennis, Iowa

A KEPT WOMAN

Back in Queens, in the house I grew up in, when you were old enough to get a job, you went to work and helped pay the bills. As it turned out, my very first job would be my last for a long time.

It's back in the Nineties when I had to first do this. I got a job where I would do office chores and clean the studios at a dance school. It didn't pay much but it was fun to see all the mom's bring in their kids for lessons, and all the teenagers that danced there, too. Ivan ran the place like playing a violin. He

was the master of money and left the dance instruction to his wife, a former prima ballerina, and a capable staff. They worked hard and danced hard.

Ivan hung out in the office most of the time. There were dance posters and Broadway Musical posters all over the walls. He would tell stories of who and how many managed their way to the Broadway stages. He said many got the roles not because they could dance, but because they would fuck the producers. Well, to me that was something I had never heard of before, but would soon find it a way to success, myself. Ivan always paid me on time which is all I cared about, but truth be told I would have rather gone to bed with him than any of the drooling boys lingering around the studios.

I was helping out at the front desk when 'he' walked in with his adorable six year old daughter. I asked if I could help and he said he wanted to register her for classes in jazz

dance. I said 'sure' and took his information. He wanted her to take lessons on Friday and Saturday because that's when he had her from his divorce. I said we did not have Jazz classes on Saturday, but there were tap classes. He agreed and we set up her schedule and he paid for the first month.

The first Friday rolls around and 'James' brings her in fifteen minutes early. I'm cleaning the waiting area and he comes to sit. I'm a little embarrassed to be seen in a tank top, jeans and a broom, but he smiled and said "Hello Amber" to me. I said hello and said how sweet that he remembered my name. He said how nice I was in helping him register his daughter. I politely smiled and kept working. Ten minutes later he stepped outside to have a smoke and saw me emptying the trash containers around the entrance.

Leaning back on the wall, he tells me that he likes a hard working woman, but if had one like me, he wouldn't have her working at all. I didn't know what to say and just kept at it. He made some other small talk and I'd stop briefly to listen or answer. Eight o'clock comes around and he's escorting his daughter to the car. As he passed me he says, "See you tomorrow." and I blurt out I don't work on Saturdays. "Well then, next Friday." he says. I mumble okay.

Next Friday comes and then the month is up. James registers for another two months and we've become kinda friends. Easy talking and easy listening. One Friday night he asks me if I'd have lunch with him on Monday. I hesitated, but agreed since it was only lunch. I had never been out with a man in his forties before, but he seemed cool and I didn't feel like the nineteen-year-old that I was at the time. Well, as you can assume,

just because I'm writing a letter to this magazine, that things got progressively hotter. Three months after meeting we were fucking, but not just fucking, he was wining and dining me. I was late for work a few times and Ivan asked me what was going on. I said nothing, but two days later I came into the dance school and quit.

"Why?" asked Ivan. I told I met someone and was moving out of town. Truth was, I was moving to Manhattan in a penthouse paid for by James. The next two months were a blur for me, we traveled and dined in exclusive restaurants. I was a princess and he was my prince in a love story that felt like it should have lasted life a lifetime. Of course there was the time I came back to the penthouse and caught him fucking another female. I told him I'd tell the courts what he was up to and that set him off. After settling down and some wild make-up sex, came the glorious offer to retire to the penthouse suite for as long as I liked. I would get a pay raise every six months, just like his other employees if I performed my duties well. If I was there alone when he needed me to be, kept myself clean and available, he'd keep me and pay for it all.

I thought quickly, it was this or back to Queens. At least if I stayed here I could make contacts, try to get some real education and delve into some serious fashion on the allowance I have. I could do this as long as he paid for the penthouse and kept himself clean of STDs until I figured something else out.

Six months later I have a waitressing job in Midtown, with not much better pay, but the tips do add up. I go to night school and spend most of my cash at the trendy boutiques I got so used to frequenting. Even in this big city I would see him once in a while, especially if I make an effort to do so. I hold no grudges, he used me and I used him.

Twenty-some years later, I still think about those eight or nine months, James, the penthouse, the sex, the stuff that has made me realize how important the right people are in your life. I've been married twice and now I'm as happy as I've ever been.

Well, I know this wasn't a very sexy letter, but it does tell you that there are young impressionable young ladies out there ready to be duped by an older man into sex and money. If you got it, then go for it. I did.

— Amber, NYC

A LITTLE SEXUAL HEALING

I had a little accident last month so I'm in the hospital for week trying to recover, so no sex for me. I'm stuck in bed watching television all day with nothing else to do — so one late night I started stroking my cock because I was bored and that led to horny. As I'm doing this I hear a night nurse walk in so of

Heaven's in her!

I'm sure everyone is out there with their praises for Nicole Aniston, and I'm one of them. She's sensational and a cut above almost everyone else. I really like it when she does girl on girl stuff. That means two pretty pussies in action and what red blooded man doesn't want to see that. She's really good at having sex and always a pleasure to watch. I'm hoping that one day soon, I will get to see her in real life. I'm sure she is sweet and willing to talk to her fans And I'm one of her biggest. So thank you guys for the little piece of heaven on earth.

— Donald, Ohio

course I stop and try to hide my erection.

I close my eyes to pretend that I'm asleep. She does her bed check and as she is about to leave and turn the light off, she notices a large tent in my sheets. So she walks back to my bed and does the unimaginable. She touches the top of the tent and it won't go down. I hear a little giggle and she walks back to the door and closes it and turns off the light. I thought she had left but then I feel her slide her hand under the sheet straight to my hard cock. She wraps her hand around the shaft and starts to stroke it.

Stopping momentarily, she pulls a chair next to the bed and sits down. Her hand slides back up to my cock and she picks up right where she left off. "I've been on my feet all night, you don't mind if I sit down, do you?" she whispers without expecting an answer. Her hand is pumping my cock up and down with an occasional pinch to the skin or nip at the head.

Then she starts playing with my balls, twirling and pulling them in her fingers. Using her nails to excite me even more, but I haven't yet opened my eyes and I dare not make a sound. She finally removes the sheet. "Oh my... It's so big!" she says as she looks up to see if I'm awake. She smiles to herself. Licks her lips and starts to lick the tip of my cock. She slides her tongue up and down my shaft, she freezes as I moan. She looks up and I'm smiling. She has a wicked smile and says "Now let's really have some fun." She gives me a look and in one move takes all of it down her throat. As she deep throats my cock she feels my hand on the back of her head as I grab her hair and start forcing my cock as far down her throat as hard as I can.

I reach my hand up her dress and find her pussy soaking wet through her cotton pant-

ies. Then, I start fingering her. Two fingers, then three. As she begins to moan, I cum down her throat and don't let her head up until I'm done cumming. She comes up with a smile. "Mmmmm, yummy." she says with a wicked smile. "Now it's my turn!" she says as she climbs on the bed and lowers her pussy on my face. "Lick me, mister." she says. I begin licking her clit and her pussy. She's moaning for more. I lick and lightly bite her clit. She screams as she squirts lady cum all over my face. She gets up, throws me a towel and says "I have to do my rounds now, but I'll be back later." She straightens her dress and walks out of the room.

I'm laying there wishing the time would go faster. I watch some more TV and a couple hours later she returns. "You still hard?" she asks as she reaches out for my cock. I reach under her dress and find no panties but she is still wet. She climbs up on the bed and lowers her wet pussy down on my cock. She starts bouncing up and down hard and fast. Her boobs bounce right out of her uniform. I grab her tits and start sucking them. She starts screaming that she's cumming, and at the same time I yell out that I am.

I'm still inside her as we cum together, falling down on my chest. She looks me in the eye and says "Honey, hope you get better soon... and hope you liked my nurse's costume."

— George, Detroit

Nicole rocks!

Nicole Aniston has to be the hottest porn star ever. She's got looks, the body and the sexual appetite to make any man or woman swoon with adoration. Like me. I'm female with no real lesbian leanings, but she is one that I would do in a heartbeat. I would even do her with my husband, even if it meant losing him over her. That's not happening!

— Jackie, Anaheim

I'm just a pretty boy toy. One that loves to fuck and get photographed doing it. There's just an excitement that doesn't happen behind closed doors. I love having my holes stuffed full of cock until I succeed in milking every last drop of cum out of that big cock. But that's not enough. I want more and I want his. Okay, don't get mad, but between you and me, I don't know the name of the guy I'm fucking in these pictures. We met for a moment before the shoot and he introduced himself, but I think I forgot it when he stuck his dick in my pussy. I sucked his cock, I let him fuck my pussy and ass and even gave him a good-bye good-fuck hug when it was all over. When I go home and write about this day in my diary.

b.f.forever

Lacey and I are best friends.

We've been best friends for a long time and probably will be forever. Ever since she was a toddler and I was her baby sitter. Now we're both adults and my twelve years older doesn't seem like that big a difference. We were never lovers until a few years ago. We grew up and stayed in the same town. Even dated some of the same boys, but as we matured, we found our interests converging.

We liked to take long walks. We often did this together and one day we started talking about what it would be like to sleep with a woman. At first it was just a philosophical discussion about softness, body hair, dating habits, etc. Then it started getting personal as we asked each other if they had ever slept with a girl. We both confessed that we had not but often thought about it. Since we felt our relationship was as strong as they come we agreed to. I told her I thought it'd be fun to play with her boobs and lick her pussy. She confessed she kept it shaved because she liked the way it looked. I told her mine was not, but she could shave it for me. We both laughed and said she'd get her chance.

One rainy afternoon we were planning my niece's 20th birthday. She was a lipstick lesbian and our conversation turned to girl-sex. I reminded her that she promised to

shave my pussy and headed off to my bedroom. I took a quick shower, careful to clean myself thoroughly and lotioned on a nice lavender scent. In the meantime, Lacey had stripped down to her bra and panty and got some shaving cream and a razor from the medicine cabinet. She laid out a large towel on the bed and had a bowl of rinse water nearby. I came out of the bathroom and she commented on how nice I smelled. I smiled meekly.

We had never been this naked in front of each other. I walked over to the bed and she grabbed my towel and threw it on the floor. Lacey was staring at my breasts. "I've never seen your boobs before. They're gorgeous, lady. Nice and full. I can't wait to bury my face in them," she says. I'm a bit shy, but manage to say, that I can't wait to see hers, too.

Her hands reach out and cup the underside of my left breast. She raises and lowers it as if trying to guess its weight. Her other hand reaches up to the other breast and now she's got both of them. Her fingers find my nipples and she rolls each one in her fingertips. They instantly get hard and I love the feeling. I close my eyes to savor the moment. Her hands now cup each breast as she

moves closer. "What are you? A 36D?" she asks. "34DD." I answer. "Nice," she replies. "I always knew you would have nice breasts," Lacey says as she moves in to kiss me. I feel her smooth lips on mine and we press our bodies and our mouths together. Tongues meet inside my mouth and her hand reaches down and playfully tugs at my pussy hair. "Okay, let's get on with it," she commands.

I sat on the bed and she opened my legs to get at the object of her attention. She took the scissors and gently pulled the longer hair up and cut it off. The first few snips made me nervous but she quickly finished trimming the long hairs. She put down the scissors and then rubbed the fluffy white shaving cream on me.

Her touch was gentle as she swirled it around the outer lips and down into the V between my legs. Then the razor came out. She started at the top and the sensation was very strange. She shaved down to the opening fold and around the sides. I opened my legs further so she could get into the cracks and folds a little better. She pulled my labia lips to the side and shaved right down to the pink. And then the other side. And finally to that soft and sensitive space between my vagina and asshole.

She did a great job; not one nick. She took a damp towelette and wiped off the remaining cream. She grabbed some soothing lotion and massaged it into the newly shaven area. That felt really good. It seemed as if my senses there had been amped up. She then brushed her hand deftly over my cleanly shaved area to feel for any stubble. "Perfect." she said.

So after she shaved me, she went down on me softly. I never felt such a feeling of warmth and passion as I did in her touch. As it turned out Lacey could really eat pussy. I reciprocated the action. We loved the sixty-nine. We lay in each other's arms in that position for hours. Each one of us cumming several times throughout the night. We started on our sides, just licking and nipping at each other's pussy lips. Then I turned her so she's on her back and I'm on top. That made it easier to rub my pussy hard into her face. I came, but she wouldn't let me rest. She flipped us over so she's on top and do the same to me.

I ate her sweet pussy as her juices flowed all over my face. I do not get as wet as she does but she says my juices taste great, too.

When she's on top, Lacey loves for me to eat out her little brown star. She turned her hips in so I can reach it better. I love how it puckers and pulses with each of my tongue thrusts. But that's not enough for her, she whispers for me to use my fingers in there. I oblige by wetting them in her wet pussy and then slowly work one into her butt. At first I feel some resistance, but she relaxes her sphincter and I wriggle it in even further. She moans loudly but her moan is muffled because her face is still buried deep into my pussy. I shove my finger in and out adding my tongue around the outside and lubing it up some more.

I introduce a second finger and she spasms with the pleasure/pain that it induces. In the meantime she is fingering and licking my pussy with a fervor that real love brings. I cum again just as she begins to buckle in her anal orgasm. We fall over to the side – still entwined in sixty-nine and pull each other closer as the wave of après-cum relaxation envelopes us. As we bask in the warm glow of our lovemaking, Lacey gets up and goes over to my dresser. Somehow she knows that there's a vibrator in the bottom drawer.

She pulls it out and comes back to the bed waving it at me. I giggle as she pushed me onto my tummy and pulls my hips up. I'm on my knees waiting for her to put it in me. She lubes it up with her mouth and spreads my pussy lips for easier entry. She turns it on and inserts it

into my still-wet pussy and starts to twist it. The sensation overtakes me and my hips rise to meet her thrusts and twists. She takes her finger and pokes around my puckered asshole. By now I've surrendered to her as she fucks my pussy with the vibe and alternately fucks my asshole with her finger. I cum again, hips shuddering, and muffling my ecstasy in the pillows. I roll over exhausted. She says it's her turn and I muster the energy to use the vibe on her.

She lays down and I get to work. Lacey spreads her pussy lips and helps me in with it. I bend low to lick her at the same time. I feel the vibrations on my tongue and chin and I bury my chin in her clit so the vibrations are amplified. I push the vibe in and out and feel her cumming for the fourth time. She collapses in passion and falls to rest with me on top of her. Yes, we'll be best friends – forever!

A woman with long, dark hair is sitting on a light-colored surface, posing for a photograph. She is wearing a strapless, light-colored garment. Her legs are crossed, and she is looking directly at the camera with a slight smile. The background is a plain, light color.

Nauvalia

I'm quite adventurous. I'm comfortable doing just about anything with my guy, and for him. Passion grows every time we fuck, and we love to fuck a lot. Another great perk of this is that I get my toes done and then make money showing them in photos. What could be better? You tell me.

We heard Gianna wasn't feeling good so Tiffany and I went over and found her in bed, sulking. We asked what was wrong and she said her new boyfriend just left her and she was pissed. They were only together for a month, but he decided he was gay. Wow, we said. Then we told her we came over to make her feel better and that's just what we set out to do. Okay girls, time to strip.
